

WHO IS BOB IVORY?

For the past 32 years, the St. Joe's Alumni Association has organized the Annual Bob Ivory Run to honor Bob Ivory for his contributions to the St. Joe's community. These contributions include coaching some legendary track and cross country teams, volunteering for school functions, supporting the St. Joe's mission and giving extraordinary dedication to teaching. The race also recognizes Bob's contributions to the Western New York running community both as a coach and as an official. For these reasons, Bob was inducted into the Greater Buffalo Sports Hall of Fame.

Many in the Western New York running community remember Bob's successful track and cross country teams of the 1960's and 1970's. These teams were well known not only for their Monsignor Martin Association championships, but also for their accomplishments at national invitational events. Some of these teams' performances placed St. Joe's running program on the national scale. Runners on these teams credit their success to superb conditioning and the tireless effort and commitment of their coach.

In keeping with St. Joe's 150-year-old Lasallian tradition, Bob remains dedicated to educating our youth. He is a former math teacher who donates countless hours and resources to St. Joe's, Canisius College, the Special Olympics and the Empire State Games. For his many contributions to the running community and to St. Joe's, the Alumni Association is proud to once again hold the annual Bob Ivory Run.
